

ton, D.C., Chicago and other points. Clerks in stores, banks and other business establishments wear the masks and even on the streets the gauze protectors are in evidence. In Chicago, Mr. Brown met O. King Grimstad, now stationed at the naval aero training station at Great Lakes, Ill. Mr. Grimstad expects to receive a commission soon and to be detailed to overseas duty. He is greatly pleased with his chosen branch of the service, Mr. Brown reports.
