"O. K.—THIS WAY"

X **O. K. GRIMSTAD**

Grimstad Principles:

He is unbiased, unprejudiced and free from untangling alliances. He will represent no oligarchy or faction; the best interests of Montana and especially Yellowstone county alone appeal to him. He favors less politics in government, but makes more aggressive business methods. He is opposed to the creation of land-lock commissions, rather he favors the elimination of waste and extravagance. He is willing to leave his candidate in the hands of the average citizen, who knows better than anyone else. Legislation of vital importance will come up at the next session and your senator should be in a position to act fearlessly, fearlessly and for the best interest of the people.
