Every member of the Billings Commercial Club invites every farmer, every citizen and every transient in the Billings country to come to Billings on Saturday, December 15, 1923 and be a part of this big party.

In appreciation of and with gratitude for the wonderful crops and the splendid home trade enjoyed by the city of Billings, we want you to make merry with feast, song, music and dance for one big day and night.

Come to Billings and see the beautiful Christmas decorations and inspect the great stocks of holiday goods to be seen here. The whole family will enjoy the big feed, the song, music and dance in the Billings Commercial Club building starting at noon and ending at midnight.
