AL BEDOO PATROL TO CONTROL ENTERTAINMENT FEATURES
IN CONNECTION WITH 1923 MIDLAND EMPIRE EXPOSITION

AL BEDOO PATROL

At these times when we are so short of money, it is a pleasure to see a group of men who are so well equipped and so well organized as the Shrine Patrol. They are a fine body of men, and their presence at the fair is a guarantee of the highest quality of entertainment. **Shrine Patrol Circus to be Unique
Feature Among United States Fairs**

Truly an innovation for this year's Midland Empire Fair will be the big circus managed by local Shriners, one-hundred and twenty-five strong, assisted by several thousand Shriners throughout the Midland Empire and Wyoming. It means a guarantee of the closest and finest shows, the best of attractive riding stunts, merry-go-rounds, ferris wheels, airplanes, swings, whips, etc., etc. Providing high class, novel entertainment at reasonable prices and a "square deal" policy surpassing even the high standard of Carnival Shows at the Midland Empire Fair last year.

**And in Conjunction With the Circus
Three Wonderful Evenings of the Magnificent
Thearle-Duffield Fireworks Display**
