

Road proposed by the county.

Rockwood Brown reported to the committee on the possibilities of a road past Boot Hill cemetery, through the park recently given to the city by George W. Swords, thence along the top of the rims to the Cove. He said that the Kiwanis club had investigated the feasibility of such a road and had found that due to the fact that much of the land along the route is owned by nonresidents difficulty of securing right-of-way intervened. Mr. Brown expressed the belief that right-of-way for such a road could be secured this summer.
