

DAVIS RESIGNS AS PROSECUTOR

Big Timber Attorney to Enter Local Law Firm.

Big Timber, Dec. 27.—(Special)—County Attorney Horace S. Davis has tendered his resignation as county attorney of Sweet Grass county, to become effective Thursday.

While Mr. Davis has been reluctant about making public announcement of his future plans, it is known that he will associate himself with Attorney Rockwood Brown of Billings and expects to leave for that city shortly after the first of the year.

Mr. and Mrs. Davis have made high places for themselves in the esteem of Sweet Grass county people, taking an active part in lodge and social activities as well as social affairs, and their leaving will be keenly felt.

It is now up to the board of county commissioners to appoint a county attorney to fill Mr. Davis' unexpired term and Attorney F. M. Lamp is prominently mentioned for the place. *
