

## STATE WILL SPEND BIG SUM ON ROADS

(By Associated Press)

Helena, Aug. 24.—Montana will build \$10,000,000 worth of new roads in the next seven months.

Beginning with the August 30 letting at Great Falls, the State Highway commission will award contracts for the construction of \$1,500,000 worth of roads every month until April 1, 1936.

The program calling for that expenditure was approved this week at a meeting of the highway commission, Chairman H. J. McGregor of Great Falls, L. J. Croonenberghs of Missoula and Rockwood Brown of Billings, with Governor Frank H. Cooney and Chief Highway Engineer D. A. McKinnon.

McKinnon announced the program today. He said that the board would have prepared every month until next April a list of projects contem-
