

tors' association had a membership of 60. He explained it was formed by the contractors so they would obtain more money for their work. He said meetings were held after contract lettings to discuss labor problems, bidding and other highway matters.

Still under cross-examination he declared that Miss Jawort's employment as secretary of the association had not been recommended by D. A. McKinnon, state highway engineer.

Governor Ends 2nd Hearing and Removes Commissioners Again (continued 2)
