

POLICE BLOTTER IS FREE OF VIOLATORS; ONE CAR IS STOLEN

There was little activity in police circles Sunday. No one was booked on the blotter for violation of any of the city ordinances.

A 1928 Chevrolet sedan was reported stolen between 7:30 and 9:30 o'clock Sunday evening on Second avenue north, between North Twenty-seventh and Twenty-eighth streets. The license number is 70-653. There was one spare tire, a milk can and a brown blanket in the rear seat. The car belongs to Mrs. Mary Piccolo, who lives three miles east of the city.

The two cars reported stolen Saturday night by Rockwood Brown and a Mr. Bodhaine of Klein, Mont., were recovered. The Bodhaine car was found east of the city, and the Brown car, a new Ford, at Avenue B and Third street west.

Stolen Cars Recovered
