

Board 1 Men Leave Monday

Draftees Will Take Final Exams at Butte

Registrants of board 1 left Monday for Butte for final examinations and induction into the armed forces, selective service officials said. High school graduates, who had been deferred to complete their school year, and married men without children and those whose children had been born after Sept. 14, 1942, made up the majority of the group, they said.

A musical sendoff was given the draftees when the Billings Municipal band, after marching in the Memorial day parade under the direction of Denis O'Brien, played "This Is the Army, Mr. Jones" as buses transporting the groups rounded the corner of the Yale Oil building.

Reporting to induction headquarters are Klaas Andriesen, Warren G. Barthman, William V. Beers, Donovan W. Bergstrom, A. Keith Brown,
