

Billings Group Will Inspect Ball Parks

BILLINGS, Mont., Jan. 1 — (AP) — Representatives of the Billings Pioneer Baseball club will leave Friday to inspect ball parks in four Idaho cities, Archie Cochrane, club president, announced today.

Scheduled to make the four-day tour are Cochrane, Directors Russ B. Hart and Rockwood Brown and Architect Orr Pickering.

Cochrane said purpose of the trip is to inspect parks in cities of similar size to Billings before making final plans for remodeling Athletic park here.

Cochrane said meetings are scheduled with owners of Pioneer League parks in Pocatello, Twin Falls, Idaho Falls and Boise and with League President Jock P. Halliwell in Pocatello.

"As soon as possible after our return," he added, "we plan to send out final specifications for the \$60,000 improvement program and ask for contractor's bids."

Tentative plans call for Robert Cobb, vice president of the parent Hollywood Stars; Oscar Reischow, Hollywood business manager, and Harry Voelker, newly-appointed Billings business manager, to be on hand for opening of park bids in Billings.
