

## Cave Commission Gets Mission

Vandals beware.

Any wrongdoers at the Indian Caves will face the long arm of the Yellowstone County cave posse from now on.

Undersheriff Cap Griffin deputized Mayor Willard Fraser's cave commissioners Wednesday and issued badges.

They'll be in charge of combating vandalism at the caves.

The cave deputies have no uniforms. They are plain-clothed lawmen and drive unmarked vehicles.

Posse members are Ted Wirth, Conna May, Rockwood Brown, Harold Hagen and Addison Bragg.
