

## Thieves nab \$5700 in heist

GILLETTE — Wyo Ben, Inc., was robbed of \$5700 worth of material, according to a sheriffs deputy.

Dale Spencer, warehouse foreman, Thursday reported the loss of 50 bags of dristac and 20 bags of driscas to the sheriff's office Thursday.

The foreman reported that the theft had occurred sometime within the past 12 days, since that was when the goods had arrived, he said.

Spencer reported that it was impossible to know exactly when the bags were lost to thieves because of the quantity of the materials going through the warehouse all of the time, according to the deputy.
