

United Way drive reaches 56% mark

United Way volunteer workers raised \$58,303 in new money in the past week, Chairman Frank Hemphill said Friday.

That brings the total contributed in the current fund drive to \$350,568, which is 56 percent of the \$625,000 goal. Forty-six percent of the packets have been returned.

David Brown of Wyo-Ben Inc. was chosen loaned executive of the week for finishing his assignment with a sizable increase over last year's total. Jan Ginter of J and A Insurance was named volunteer worker of the week for producing a large increase over the 1978 figures.

The campaign committee also honored Gary Lythgoe for his work in increasing Job Service contributions by more than 50 percent over last year.
