

Owner of Greybull Plant Dies in Texas

GREYBULL, Wyo. — R. E. Dansby, about 60, one of the owners of the Wyo-Ben bentonite plant at Greybull, dropped dead of a heart attack at his home at Houston, Tex., Saturday. He had spent a month in Greybull on a hunting trip and had been home only 12 hours when the attack occurred.

Funeral services were held Monday at Pasadena, Tex.

Survivors are his wife, Hazel; one son, Edward Dansby of Houston, and two grandchildren.

R.E. Dansby Part Owner of Greybull Plant, Dies
